Name.....Group/Hall.....

In April 2005 Presteigne Town Council undertook a survey of householders in Presteigne to determine what local people thought should happen to the Memorial Hall in the future.

In a further move to determine a way forward for this community facility, an external consultant has been engaged by the Town Council to undertake an independent consultation with the committees and user groups of all the community and church halls in Presteigne.

This event will aim to explore what the community needs from a multi-purpose facility and weigh this against what is currently available. Options for the future of the Memorial Hall will be a central theme in this event.

The co-ordinator of Presteigne and Norton Community Support, Lesley Wootton, will be providing assistance to the consultant for the event.

It is important that the views of a wide range of users of community facilities are represented and you are therefore invited to take part.

**Wednesday, September 27<sup>th</sup>**  
**7pm at the Memorial Hall, Presteigne**  
*Refreshments will be available.*

It is important that a representative attends this event if you want a say in the future of this valuable community resource!

Dear

**CONSULTATION EVENT ON THE MEMORIAL HALL, PRESTEIGNE**

I enclose a copy of the letter of invitation to committees and user groups of the community spaces in Presteigne, and would like to take this opportunity to extend a personal invitation for you to attend this event.

The evening will start at 7pm and will involve interactive consultation exercises to look at the facilities offered by existing spaces and what may be needed in the future. A key part of the evening will ask for opinion on the future of the Memorial Hall.

An independent consultant from Resources for Change of Welshpool has been engaged to lead the event.

We look forward to hearing from you. RSVP to Lesley Wootton at the above address.

Yours sincerely
