**...Help needed for new wildflower meadow in Discoed.** Is there anyone out there who can cut our field to aid the creation of a wildflower meadow ? If you can use the hay, even better. It will have to be small machinery to get through the gate on the narrow lane, and because heavy machinery is banned from the scheduled ancient monument in the field. Call Maggie on [01547 560813](tel:01547560813).

**...If you run a community group, charity, social enterprise or voluntary organisation in Powys, read on - you could be eligible for a funding boost!** Powys County Council has launched its Covid Community Recovery Grant which aims to help organisations respond to the impact of the pandemic so that they can become more resilient. Awards of up to £20,000 can be made to cover up to 80% of the cost of a variety of initiatives. Full details are on the Powys website - <https://bit.ly/3wFc0dN> The first round of applications closes on 31st July, but don't worry if that deadline is too tight for your organisation – round 2 closes on 15th September and round 3 on 24th November, and there will be two more rounds next year (as long as the money doesn't run out before!) If you need advice or help to make a funding bid, it's worth contacting PAVO who offer lots of support to voluntary organisations – [pavo.org.uk](http://pavo.org.uk) *[thanks for this information from the Town Clerk and others]*

**...from Presteigne Library.** From now on, Presteigne Library is open for browsing and borrowing without making an appointment. We are open on Tuesdays from 10.30-1 and from 2.30 - 5, and on Wednesdays from 1.30 until 6. We will be so pleased to see our readers back in the library again! A few notes for everyone's safety: please continue to wear a mask inside, and please leave any returned books in the box in the porch so that they can be quarantined. The size and layout of our library means that we can only allow two bubbles (two individuals or two couples/families) inside at a time, so please be patient if we're busy. Parents, don't forget that the Summer Reading Challenge is on offer – stickers and rewards for choosing fun books to read over the summer. More details available from the library. Looking forward to seeing everyone! ”

**...from Claire. August issue of Broad Sheep will be out soon!** Look out for it in your local shop, gallery, cafe, theatre, library, TIC (in fact everywhere in Herefordshire, Shropshire & Powys)! Also online - [www.broadsheep.com](http://www.broadsheep.com) coming soon too.

## THANKS

**...from Nick** - a big thank-you to the GGs for their super clear up of the Ligné Barn gardens. After their first visit, the improvement was huge, and after the second they look great, and still very natural. Once again, many thanks.

**...from Tessa.** Thanks to all of you who have kindly joined in on the last two picks. Firstly after combining the team's efforts to save plastic bags, we collected 9 full red bags of waste and 2 full clear bags of recycling. The areas covered include the High Street, the By-Pass from

Broadaxe to and including the Shoppers car park (which is always a mess), Broadaxe itself, Hereford Street, the Police Station car park, the path to the Medical Centre, Back Lane, Green End, top of Harpers Lane, Broad Street, Station Road, the Bring Site, St David's Street and Pound Lane. Finally thanks to the new food van in the Memorial Hall car park and the two lovely ladies running it who gave us a free cold drink. Tuesday 24th August at 9.30 is our next (pre-Festival) pick. I have 8 confirmed volunteers, thank you all, but if a couple more wish to join in, there are often changes of plan so this would be handy. Call/text Tessa [07788 567631](tel:07788567631)

**...from Lee. A big thank you to Alex Logan of Caring for God's Acre** for scything Presteigne's roundabouts on Wednesday in 30 degree heat, well done! With the support of the Town Council both roundabouts are being developed and maintained as mini wildflower meadows. After only about one year of cultivation both are showing a significant increase in biodiversity, hopefully this will continue to increase in future years.

## TOWN COUNCIL NEWS

## SCAM ALERT

**...from Dyfed-Powys Police.** Is your Facebook account secure? We have received a number of reports of Facebook accounts being 'hacked'. You can help prevent this:

- Change your Facebook Account Password and make sure it is strong and not used on other online accounts
- Enable Two Factor Authentication (2FA) – this will alert you if someone else is trying to gain access to your account
- Make sure your privacy settings are up to date on Facebook
- If an offer seems too good to be true - it normally is.
- Don't click on a link promising something you know you aren't entitled to - even in the vain hope you may receive money for it
- Don't enter your details into websites or forms unless you know for sure the site is genuine.
- Don't accept friend requests unless you actually know the person requesting
- Tell others so they can protect themselves against these criminals. Report crimes to Dyfed Powys Police: <https://orlo.uk/opuXn>, email [101@dyfed-powys.pnn.police.uk](mailto:101@dyfed-powys.pnn.police.uk); call 101 (If you are deaf, hard of hearing, or speech impaired text the non-emergency number on 07811 311 908).

**...from Which!** We explore which categories of fraud have been growing the fastest, which cost victims the most money, and how fraud varies across age groups and regions. Click hereto view all The fastest growing scams:

[Fake giveaways on Facebook.](#) We've found social media ads for fake competitions on Facebook that are attracting thousands of interactions from users. The hoax 'Alton Towers Breaks' and 'Center Parcs Resorts' pages claim to offer the chance to win getaways worth more than £2,000. Both scams tell users that all they need to do is 'like', 'comment' and 'sign up' in order to be entered into the giveaway. Here's more about how they work and how to protect yourself from these sorts of scams. Steps to safeguard yourself

[Fake emails spoofing official email domains.](#) Always question emails that you're not expecting. We're seeing an increasing number of fake emails successfully spoofing official email domains, including some of the biggest brands in the UK. Our most recent find is a Bitcoin email spoofing Selfridges' domain. So how is this allowed to happen? We explain scammers' tactics in convincing potential victims they're legitimate & measures you can take to protect yourself. The lowdown on email spoofing.

There's now a much easier way to make us aware of scams directly with our [scam sharer tool](#). Tell us your experiences of phishing emails, fake texts, cold calls and other types of fraud.

### **NEWS FROM THE HIGH STREET & LOCAL BUSINESSES / ORGANISATIONS**

**...from PACDG.** "The local businesses and shops that were much valued during Covid lock downs still need your custom. It seems that now travel restrictions have been lifted shoppers have returned to their old buying habits and local shops are suffering as a result. Many shops went out of their way to ensure fresh produce was available and now they need your continued support and custom. With excellent locally sourced meat, vegetables and fruit from nearby fields, artisan bread, great dairy products fresh fish and lots more on offer, why not make sure you 'shop local' before heading to the supermarkets. Please support the businesses that supported you - use it or lose it!"

**...from Presteigne Bowling Club.** Continuing the winning streak, in a very busy bowling week PBC walked away with a Mid-Wales County Championship Senior Fours win against a quartet from Builth (great to see the legend Bill Weale back in the winner's enclosure) - team Robert, David, Phil, Marcus & Bill. In the next round Presteigne faces Penyrheol from Swansea. Tigers on a roll !!!!

**...from Marion at The Retreat.** Despite the restrictions easing in England today, nothing has changed in Wales with regard to rules around close contact services - although we think an announcement is imminent. Even in England, the massage professional bodies are saying that the current protocols should stay in place (face masks, cleaning all surfaces between clients, ventilating the room, etc). So for now, I will continue to work in the same way as I have been since April, with all the required safety measures in place. For any questions, or further information please don't hesitate to contact me 07816 981454 or [marian@silvanmassage.com](mailto:marian@silvanmassage.com).

## OTHER INFORMATION

**...shop through Amazon ? Now you can reduce your plastic packaging.** Concerns around plastic waste and the environment are growing among consumers. Now, if you're an Amazon shopper, there is a way to replace plastic in your order with paper - but it's up to you to make the change. The power of customer requests has pushed Amazon to respond to people asking for less plastic packaging in your order. To opt out of receiving plastic packaging with your order, you can go to [Amazon's Customer Services](#), and request to speak online. After being prompted through automatic links, type in "reduce plastic in orders". Scroll down to the bottom where it says "item not on list" and then click "speak to an associate". You can then chat to a customer services representative online, who should be able to help you.

If your petrol vehicle or equipment is not compatible with E10 fuel, you will still be able to use E5 by purchasing the 'super' grade (97+ octane) petrol from most [filling stations](#). Petrol pumps will clearly [label](#) petrol as either E10 or E5. You can check if your car/motorbike/moped can use E10 petrol by using our [E10 vehicle checker](#).
