THANKS

...from the **Royal Oak**. Thank you for bearing with us and for all the kind messages and offerings of help whilst we've had to isolate and recover from Coronavirus. We will be reopening tomorrow (Saturday 21st) with normal hours being resumed.

...from the **Judge's Lodging**. A massive thank you to the **PACDG Guerrilla Gardeners** for tidying up our walled garden space, so visitors can sit out and perhaps savour a nice coffee and cake treat...all we need now is a day without rain!

...from **St Andrew's Church, Presteigne**. As with most organisations, our normal timetables are all out of kilter at the moment because of the pandemic, but yesterday our two church wardens for St Andrew's were sworn in, having been re-elected at the Annual Parish Church Meeting a few weeks ago. We are so grateful to Andy and Keith for everything they do to maintain our church properties and grounds and many other responsibilities ... as do Dilwyn Price and Lizzie Smallpage, our church wardens for St Michael's Discoed, and the wardens of Kinsham, Lingen and Knill.

TOWN COUNCIL NEWS

...**Last week's Town Council meeting** was a relatively brief affair dealing only with urgent items, owing to it being August with no formal business meeting and the Town Walk following the next day. The Town Clerk has posted Draft Minutes of the August TC Meeting on the website - <http://presteigne.org.uk/town-council>. Attendees noted the following items of particular interest (see Draft Minutes above for full detail): *Dark Skies/Street lighting - Powys was not willing to install PIR sensors other than in one carpark, but the other main aspects of the street lighting update will proceed *Community Broadband - the TC agreed to pursue the grant for a community broadband scheme, following the presentation at the TC meeting in June *Resurfacing of Stocken Road, Stonewall Hill scheduled for 3rd to 8th September.

COVID

...from **Herefordshire Council**. The law on self-isolation in England has now changed. More info at <https://www.gov.uk/government/news/self-isolation-removed-for-double-jabbed-close-contacts-from-16-august>. Close contacts of positive #COVID-19 cases will no longer need to self-isolate if they are either: *double jabbed *under 18. Instead you should take a free PCR test- book online, call 119 or visit a test site.

...from **Powys THB**. **Are you 16-17 years old** and registered with a GP in Powys? We have sent you a letter inviting you to a COVID-19 vaccination appointment. If you have not received your invitation, please contact us: <https://pthb.nhs.wales/coronavirus/covid-19-vaccination/priority-access-forms/>

...**Got Covid symptoms? Getting tested is easy, fast and free.** Find out more about testing in Powys: <https://pthb.nhs.wales/coronavirus/coronavirus-testing/symptoms/>

...**If you or your child has been told to self-isolate** and you're a carer or can't work from home, you could be entitled to £750. <https://gov.wales/self-isolation-support-scheme>

...**from Powys THB. Consent for vaccination for under 18s.** With the COVID vaccine now being offered to young people aged under 18, PTHB has had some enquiries around who needs to give consent for vaccination. The vaccine is now available for: * All young people aged 16-17 *Clinically Extremely Vulnerable people aged 12-15 and *12-15 year olds who are household contacts of immunosuppressed people. At 16 years of age a young person is presumed in law to have the capacity to consent, so young people aged 16 or 17 years should consent to their own medical treatment. Where someone aged 16 or 17 years consents to vaccination, a parent cannot override that consent. Those aged under 16 can also give consent to vaccination without their parents consent if they are able to demonstrate 'sufficient understanding and intelligence to understand fully what is proposed'. This is called Gillick Competence and is based on a legal case brought a number of years ago. If a Gillick-competent child consents to treatment, a parent cannot override that consent. This applies to all medical treatment and not just to vaccination.

SCAM ALERT

...**Watch out for texts claiming to be from DPD** telling you they were unable to make a delivery and asking you to go to their website (with a link). It's a smishing scam that will take you to a very realistic-looking fake website and ask you to pay a small fee for redelivery. Find out more <https://whi.ch/DPDText>. If you are missing a delivery from DPD (or any other courier company) you should contact them directly.
