  - if you need assistance in any way, email us and we'll pass on your message to people who can help.

### THANK YOU!

...from the **Celtic Dragons** - finally we have sorted the money from Prestfest and would like to thank everyone for their support - Henmans for donating the marquee, Behind Bars for donating their equipment, and everyone who donated time and money. Thank you to the bands that played, and the food van feeding us all. And a big thank you to all of you who helped us raise £3000.00 for Presteigne and Norton Community Support and Alfie Retallick, a local boy who needs home adaptations and equipment in his home. This will be the last Prestfest - we are taking a break from fundraising as it is too much organising, but the 2024 May party will still go ahead. Thanks for all your support.

### TOWN COUNCIL NEWS

...Next full **PNTC Council meeting** is on Wednesday 18 October at 7.30pm in the Assembly Rooms.

Meeting papers available 12th October. Latest Draft Minutes for the 20th/27th September plus the Meeting papers for the October meeting can be seen on the Town website [www.presteigne.org.uk](http://www.presteigne.org.uk)

...from **Beverley** - for clarity **Presteigne Bypass was excluded from the 20mph rule** and has remained at 30mph. The core of the town & housing estates are 20mph as dictated by The Senedd but you are fine to continue at 30mph on the bypass!

### SCAM ALERTS (from Which and others)

...**The digital switchover**, which is expected to be completed in 2025, will involve UK telephone providers moving customers from old analogue landlines to services which use digital technology. The move is free of charge, but there have been reports of fraudsters calling vulnerable people claiming they need bank details as part of the switchover or their service will be disconnected. Unfortunately, these scam attempts will likely rise as the switchover date nears. Stay alert to calls out of the blue and share this story with friends & family.

...**Fraudsters target Halifax customers** - there are multiple reports about unsolicited emails from scammers posing as Halifax. These messages appear to come from Halifax, but the true sender addresses are hijacked TalkTalk and Tiscali accounts. The scammers used convincing Halifax branding and claimed to be asking customers to 'refresh their contact details' as an extra security measure, inviting them to click a link that redirects to a fake Halifax website. Legitimate banks will NEVER ask for sensitive information such as your PIN or full password via email.

...**Hijacking headlines: how scammers exploit the news agenda** - Fraudsters are quick to exploit major news events to deceive unsuspecting victims. Scammers can easily set up copycat websites or social media profiles in just a matter of minutes, posing as an organisation currently in the headlines and using these platforms to trick people into various scams. One example involves scammers impersonating Ofgem to offer an 'energy bill rebate scheme' to families struggling to meet their payments.

**...the Judge's Lodging - If You Come My Way... an exhibition** running from 20th September to 5th November. In Summer 2023, pupils from our two local schools – Presteigne Primary School and John Beddoes High School – joined museum staff on a creative journey through some of the rooms, objects and stories at the museum. Led by professional writer, Emma Beynon, they explored their feelings and responses to these objects and moments from the past through creative writing. This exhibition shows their work, along with the objects and rooms that inspired them. Hear the tale of Sarah Chandler, transported to Australia for forging just three £5 notes, or the brave farm labourer, William Davies, who fought and died in the Crimea fighting for Queen Victoria. Look further into the lives of the POWs who lived at Camp 48, Presteigne, during World War II. Imagine yourself as a piece of furniture in the Judge's Dining Room, or surround yourself with the sounds of the busy kitchen below. Read the incredible set of poems 'If you come My Way' – a collection of works to welcome refugees to the area. Much of the poetry can be seen in the Tea Room and Exhibition Room which is free to visit.
