**Radnorshire NPT has this week welcomed PCSO 8073 Gareth Morris to the division.** Gareth will be based at Presteigne Police Station, predominately providing support to Presteigne and Knighton NPT. Gareth has lived and worked locally for many years and has fulfilled the role of a Dyfed Powys Police Special Constable for the last 10 years. Gareth is looking forward to providing additional support to the local community through his new role. Please remember you can contact your local NPT by calling 101 or by emailing [presteigneNPT@dyfed-powys.pnn.police.uk](mailto:presteigneNPT@dyfed-powys.pnn.police.uk).

**And a community message from DPCM/Powys Trading Standards....residents are warned about a major new phone scam currently defrauding US consumers set to hit the UK,** and police and call-blocking companies are warning the public about the dangerous phone call in the hope of preventing innocent people falling victim to the scammers. Innocent people are being tricked into essentially signing verbal contracts.

If someone calls and asks, "Can you hear me?", hang up the phone immediately.

Here's how it works:

- You receive a phone call from a local number
- The voice on the end introduces themselves and the company they supposedly work for
- They then ask: "Can you hear me?"
- Your answer is recorded, and if you say "yes", your response will be edited to make it appear as if you've agreed to a huge purchase.

You're effectively being tricked into signing a verbal contract, much the same as clicking 'I agree' to terms and conditions online.

Voice signatures like these are legitimately used by companies doing business over the phone, but this is being exploited by scammers who have conned many already.
