**DRAGON UPDATE.....Powys CC have finally given the go-ahead for a permanent Sleeping Dragon to be installed in the current location after November this year. So, with that official hurdle removed, we can finally move forward to try and make it all happen.** Pete has been doing a lot of preparatory work including sourcing stone for the 'cromlech', but now we need to get to grips with publicity and crowd funding to pay for it all. There are so many talented people in and around Presteigne with skills and expertise in all sorts of fields - **if you have experience with crowd funding or special expertise with raising awareness and funds through social media then your help and advice is badly needed.** Residents voted overwhelmingly to have a permanent Sleeping Dragon at the existing site at the Corton roundabout - but serious and effective fund raising is needed to make it a reality. **Please help to make this happen - contact Pete on 07735 354623 or email us on [pacdg@icloud.com](mailto:pacdg@icloud.com).**

**Would you like a swift box ? Swifts should start arriving in Presteigne in late April/early May so hopefully some will find the swift boxes people installed last year.** PAC has ordered more boxes made by the Men's Shed, and these are available now 'at cost' for just £6. If you would like to encourage swifts to start nesting at your property by installing these specially-designed boxes, just email us on [pacdg@icloud.com](mailto:pacdg@icloud.com)

**A message from Lynne about the PNCS Warehouse....we are in need of volunteers to help us man the warehouse.** We have had to close it on some occasions because of illness and holidays. We are a friendly bunch and helping out there is very rewarding, meeting people from all walks of life and making new friends. If anyone has a few hours to spare to come along and help, find out what we do and get involved, they can pop in to see the staff or call into the office on the High Street. Thanks, Lynne

**Our Youth Club desperately needs more youth workers....**Presteigne Youth Club on Mondays in term time from 6-8pm is open to any child from the last year in primary school and 1st year in secondary. Children are not allowed out of the premises & are supervised throughout. There is table tennis, pool, table football and all sorts of craft, cooking & games activities are organised. Everybody has a great time & both children and youth workers look forward to the sessions. The Club depends on volunteer youth workers from the community to keep going and due to retirement of older workers, numbers are getting near the point at which the club will have to close. Please consider giving up a couple of hours a week in term time to support this valuable and important local service, and have an enjoyable and rewarding experience at the same time. No previous experience required. DBS check required but this is straightforward and the Club will arrange it. Anyone interested please ring James Tennant-Eyles [01544 267363](tel:01544267363), or email [jtennanteyles@gmail.com](mailto:jtennanteyles@gmail.com) to arrange an informal chat.
