  - please email if you see or hear of anything that will be of help to other residents, including local area jobs
  - if you need assistance in any way, email us and we'll pass on your message to people who can help.
- ...AND IF YOU NEED TO CHECK BACK ON PAST ISSUES FOR INFORMATION, YOU CAN SEE THESE (along with lots of other good information) ON THE TOWN WEBSITE [www.presteigne.org.uk/calendar](http://www.presteigne.org.uk/calendar)

*[ed. If readers on the Herefordshire and Shropshire side of the border could keep me updated on important Covid (and other) developments affecting them, that would be appreciated and can be passed on - as a Welsh resident the information I'm getting is mainly from Powys - thank you]*

Trying to find someone to paint your house, do your garden, prune trees, plumbing, picture framing, ceramics repair etc ? We are building up a register of local trades and services and may well be able to point you in the right direction - email [news@pacdg.org](mailto:news@pacdg.org).

...watch out for temporary emergency speed limit reductions on the B4355 Knighton road (from the site entrance opposite Wills View in Norton to Wilson Terrace Playground junction). These will be in place from the 17 Feb - 30 Jul 2021 on behalf of Welsh Water, while they do works to the construction of new rising main.

...getting short of things to read while we're still in lockdown ? Check out the free book exchange in the porch of St. Andrew's in Presteigne (and in the former church in Norton). There's an incredible selection of books now, including children's books. Take as many as you want - bring them back once you've read them (but NO magazines, CDs/DVDs please!) *[ed. several people have said they're thinking to set up something similar in their own village. If so, contact me [news@pacdg.org](mailto:news@pacdg.org) - we can help with an initial supply of books]*

**TOWN COUNCIL NEWS** (see Town website [www.presteigne.org.uk](http://www.presteigne.org.uk))

Observer notes of items of interest from last week's Town Council meeting:

- Zip wire at Wilson Terrace Playground - adjustments now complete, private donation has covered the TC's share of the cost for the extension (the original purchase cost was covered by a £10k grant obtained by the TC).
- Wildflowers/verges - plans to extend the areas left un-mown this year. Also looking at ideas to increase biodiversity in other areas of town including Went's Meadow.
- State of roads leading into town - TC continues to press for urgent work to these Herefordshire CC roads.
- Local Walks - routes/maps now on town website at [www.presteigne.org.uk/local-walks](http://www.presteigne.org.uk/local-walks)
- Playgrounds - possibility of improving facilities at Lugg View with PCC funding and grant funds to match; and hope to provide more toddler-friendly equipment at Wilson Terrace.
- Lloyds Bank ATM - sign to go up asking people NOT to park adjacent as this prevents the fire engine getting through.
- Parking at end of Scottleton Street - still causing access problems and risk of accidents, looking at possibility of getting bollards placed.

### COVID

...from the Welsh Government. Four people from two different households can meet outside to exercise – whether its motivation to get outside for some fresh air or to keep each other company on runs during these dark evenings. For now, you still can't travel to exercise and please keep at least 2m apart.

**...from Powys THB.** If you are aged 70+ or you are 16+ and have received a “shielding letter” because you are “clinically extremely vulnerable” then you should have been invited your first dose vaccination by now. If you have not received your invitation then please let us know: <https://pthb.nhs.wales/coronavirus/covid-19-vaccination/age-70-to-74/are-you-able-to-attend-a-mass-vaccination-centre-appointment-at-short-notice/>

### SPAM / SCAM WARNINGS

**...from Juliet.** Yesterday evening I received a text message purporting to be from Lloyds Bank telling me I had set up a new payee and saying if this was not me to follow a link. The message came from a mobile number and although it looked like the sort of text I get from Lloyds when setting up payees, it seemed suspicious coming from a mobile. I see from other notices online that it is a SCAM and on no account to open the link, which will ask for bank details.

*[ed. report all suspicious texts by noting the number, then copying the text and sending a message to 7726 - you'll get an immediate reply asking you to input the mobile number]*

**...from Eve.** I received a recorded message phone call on my mobile yesterday from number [+447223514982](tel:+447223514982) claiming to be Customs and Excise telling me that I was entitled to a tax rebate. Reported and deleted.

**...from Powys CC. Funding support to help you start a business.** Powys residents considering self-employment to help them back into work may be eligible for grant support. Business Wales have announced a £1.2m 'Barriers Fund' to support more start-up businesses and boost employment. Discretionary grants of up to £2,000 are available to all unemployed individuals, but priority will be given to those groups expected to be hardest hit by the pandemic and who face greater economic barriers: Young people / Disabled people / People from BAME backgrounds / Women. The scheme is managed by Business Wales and applications will need a supporting business plan. **...and another cash boost for Powys freelancers in the cultural and creative sectors** who received grants of £2,500 last Autumn - **you may be eligible for more support.** Welsh Government have recently announced a second round of payments as part of their Covid-19 Cultural Recovery Fund, which was first announced in September 2020. PCC will once again be administering the funds to help ease cash flow pressures for the freelance professionals. The criteria set out by Welsh Government explains that the payments can only be made to freelancers who received the first grant, and that anyone in receipt of a Discretionary Business Grant is unable to apply. Eligible freelancers will need to complete a simple online form and confirm that there has been no change in circumstances since their first payment last year.
