## OTHER INFORMATION

**A message from Caroline (Combe Corner Flood Watch).** As from (Wednesday last week) I am the point of contact for Stapleton, Kinsham, Combe, and Byton. If you are vulnerable or need support for shopping, medication, or just someone to talk to, please get in contact. And as this is such a spread-out area, if you are able to offer support in this Parish, please get in touch. Keep safe everyone, Caroline 01544 260366

**There's a lot of misinformation doing the rounds about #coronavirus, so it's really important you get your information from a trusted source.** Visit [nhs.uk/coronavirus](https://nhs.uk/coronavirus) to find out what the symptoms are, what you should do if you have them, and how to prevent the spread.

**A message from a Rockbridge Park resident** - I have been using the printer to print out the Community News letters to save and pass on to a neighbour who does not have a computer. To save on inks I have been changing the settings to print in monochrome/black and using the duplex printing/print on both sides settings, which seems to be working. The colour ran out before my new inks were delivered but only printing in black has kept me going, especially as the fantastic newsletters are being produced more - many, many thanks. Here on Rockbridge Park the residents (YES, Residents - we are not holiday home owners!) have to be over 50 to live here and most of us now are over 70. The holiday side is now closed to holidaymakers. I would also like to thank the generosity and assistance Presteigne are giving to us by delivering the things we need. Bless you. Yours...

### **Update on Emergency childcare hubs (Presteigne CP School)**

Critical workers will need register online if they require their child to attend an emergency childcare hub, which is for children aged 4+.

Bookings have closed for the period Friday, March 27 to Friday, April 3. However, if your child is unable to stay home safely and they need to attend a hub, email [covid19.hubs@powys.gov.uk](mailto:covid19.hubs@powys.gov.uk) and your request will be considered for this period.

**Places must be booked online on a weekly basis and by the Wednesday of each week for the following week.** Critical workers will be notified if their application to the hub is successful on the Thursday before the start of the hub week, which will be a Saturday.

The hubs are not schools and will operate seven days a week. Transport and food will be provided at the hubs.

If you are a critical worker with children under the age of five and need childcare provision, please email [childcareoffer@powys.gov.uk](mailto:childcareoffer@powys.gov.uk) or register at <https://tinyurl.com/Emergency-childcare-hubs>

### **Some messages from the Welsh Government and Powys County Council.**

- **From this Tuesday, a free weekly food box will be available to the 75,000 people who have been asked to take shielding measures, including staying at home for at least 12 weeks.** Each free box will provide essential food for one person for a week, and will be delivered weekly. If more than one person in the household is shielding, they will also receive food. Details available here: <https://gov.wales/get-coronavirus-support-extremely-vulnerable-person>
- **\*Financial Help\* In response to COVID19 we've set up a dedicated Powys County Council phone line for financial support and advice.** We know how worried people are and we really hope this will help. Get in touch... 01597 826345, Mon - Fri, 9am - 4pm. Also, starting THIS WEEK we'll be awarding £60m worth of reliefs & grants to local businesses! Our Finance Team have pulled out the stops to make this to happen, so thanks to them. Read more here [bit.ly/3aqK0jy](https://bit.ly/3aqK0jy)
- **Council Tax.** We have difficult times ahead as we deal with this pandemic but the Council is doing as much as it can to support our communities, residents and businesses. Last week Council Tax bills were delivered to homes across Powys, at the same time when many residents were facing a loss of income but we had little choice about timing, however to give additional support, a new telephone line has been set up

to give advice to both residents and businesses, 01597 826345. If householders in your ward have any questions about Council Tax or Business Rates, please encourage them to call this number. We are bound by legislation as to when we issue our Council Tax demands and appreciate that they are arriving with residents when many of them are concerned about the virus and how it will affect them and their family. A considerable number of lower income households are already able to receive support from the Council Tax Reduction Scheme, this scheme is open to any person who is resident in Powys, pays Council Tax and meets the eligibility criteria. More may now qualify under this scheme. The council has a team of officers who can offer confidential help and support around the various Coronavirus finance schemes being announced as well as helping them to find other reliefs, benefits or awards they may be entitled to. Officers also can help to find ways to help them manage money including ways to spread payments including Council Tax or Business Rates bill, find better fuel options and also help manage debt.

- **Ref the recent article about countryside access and use of public rights of way in the county.** I do understand that there is strong feeling in the community about the current situation. However, the public rights of way network remains open for use, on the basis that people use the paths in their local area and do not drive to take exercise. We have issued a press release to explain that to the public and to encourage thoughtful behaviour; if you could include a link to our press release in your newsletter, that would be much appreciated. The press release is at: <https://en.powys.gov.uk/article/8835/Access-to-the-countryside-in-Powys>

**A message from Roger about the Parish Magazine.** Dear All - In an effort to circulate an April issue of the Parish Magazine at a time when we cannot ask volunteers to deliver it, I have prepared a cut-down but colour (!) email version. In normal times (remember normal times?) we deliver to around 500 subscribers and put copies for sale in St Andrew's, Presteigne. Since I know the email addresses of but a few subscribers I am sending this to many and encourage you to pass the April Magazine on as an email attachment or as hard copy to as many friends and family as you can; the text is read-only. Printing instructions appear on page 1. I appreciate many who receive this may not read the Parish Magazine on a regular basis, but others might (you never know!) soon miss it. I fear the coronavirus crisis lock-in may last for longer than we would wish, and will do my best to produce email versions of the Parish Magazine if folk send me items and if enough of you tell me it is welcome. I appreciate not all of you read the Parish Magazine on a regular basis, but hope you find something in this of interest and help. I send everyone my best wishes together, I am sure, those of our clergy and colleagues. In friendship, Roger.
