"Working Together For Our Community"

Presteigne and Norton Town Council PNTC is taking part in the **My Tree, Our Forest** initiative, an ambitious Welsh Government and Coed Cadw project **which will offer every household in Wales a tree, free of charge.**

PNTC is one of 50 hubs located across Wales where people can collect their tree.

All trees will be native, broadleaf species that will grow into small-medium sized trees suitable for gardens and smaller spaces, and will come with planting instructions. As they mature they'll lock up carbon, fight the effects of climate change and support wildlife.

On-site volunteers will advise members of the public which of the species available through the scheme is most suitable for their space and how to care for their tree.

The hub will be open to the public:

Saturday mornings 10 to 12 pm
Wednesday afternoons 4 to 6pm
each week (*) from
November 19th until December 14th

at the Old School in Hereford Street
(next to the Police Station carpark),
Presteigne, LD8 2AR
